

# United States Senate

WASHINGTON, DC 20510

February 3, 2012

We the undersigned believe that President Obama's January 4, 2012, recess appointments of individuals to lead the Consumer Financial Protection Bureau and the National Labor Relations Board were unprecedented and unconstitutional. We intend jointly to file an amicus brief challenging the constitutionality of President Obama's appointments to the National Labor Relations Board and Consumer Financial Protection Bureau.
