Re: Township of Mount Holly, et al v. Mt. Holly Gardens Citizens in Action, et al
Docket No.: 11-1507
Supreme Court of the United States

Dear Mr. Suter:

This office represents the Township of Mount Holly in the above referenced matter. The Township's Petition for Certiorari was granted on June 17, 2013, which makes our merits brief due on August 1, 2013. The Township is requesting that both the Petitioner and Respondent be given a 25 day extension for submission of their respective merits briefs. Please note that both Petitioner and Respondent have consented to this extension request.

The proposed schedule for submission, as agreed upon by the Parties, is as follows:

<u>Activity</u>	<u>Proposed Due Dates</u>
Petitioner's Merit Brief	August 26, 2013 (Monday)
Respondent's Merit Brief	October 21, 2013 (Monday)
Reply Brief	November 20, 2013 (Wednesday)

The above schedule still allows for oral argument to be scheduled as early as December 2, 2013.

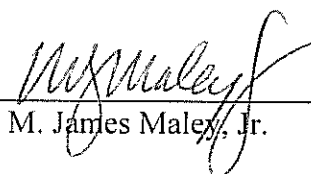

The parties are seeking the 25 day extensions because the parties are currently engaged in settlement discussions to attempt to resolve the matter. These settlement discussions have been time consuming and therefore reduce the time available to counsel to prepare their merits briefs. The

extensions are also being requested to accommodate vacation and holiday schedules of counsel. Therefore, both parties respectfully request that this Court grant the requested extensions.

Thank you for your consideration of this matter.

Very truly yours,
